

TOM MICHAELIS - FOOD & BAR OFFICER

The Pembroke Bar, Cafe Pembroke and Trough play an integral role in college social life. As Food and Bar officer, my target shall be to strengthen this role. Some of the points I intend to consider:

- Ensuring low prices while maintaining quality – a meal in trough should not cost more than an equivalent meal cooked in a gyp room.
- Providing more variation to food served in trough.
- Working closely with the Ents Officer to ensure that the bar area is an interesting, fun and vibrant place to socialise.

In addition, I will ensure I fulfill the main role of Food and Bar officer by providing a rapid and reliable route through which to have any concerns, suggestions or complaints addressed to the appropriate people

Finally, I believe I am the perfect person to organise an absolutely fabulous half way hall.
