

# I want to make your College life easier!!

## Vote Lucy Fallen for JPC President

I'm organised, motivated and approachable!

I have experience of a very similar role, I was Head Girl at school.

I live in College so I am at the centre of things.

I believe the role of President is not an opportunity for me to set about achieving what I want but for me to represent what *you* want.

My main aim is to be your voice and help make life around College easier. I think we need more bike racks and I would look into organising lockers in College for those who live out of College.

Above all, I am determined for us to have a good time!

I am able to get our point across in a confident and coherent manner.

I know a range of people from all the years.

The JPC needs to be even more accessible and visible to people in College so I would arrange for a member of the JPC to be in CafePem at regular lunchtimes.
