

# Peter Hatfield for Treasurer!

Heya! I'm Peter, 1<sup>st</sup> year mathmo in Foundress, originally from Canterbury! I'm into playing Frisbee and hiking, and I'm enthusiastic about developing the great place Pembroke is!

Please vote me as treasurer! Here are three reasons why you should:

- Very efficient - I will make sure societies, teams etc get the money they need quickly
- Very much a team player - will be an active and productive part of the JPC as a whole
- Very accessible - will be certain to make sure your views on how our funds should be spent are the most important factor

Who better than a mathematician to balance the books?! See you soon!

Peter 😊

## **Plenty of experience:**

Handled £70,000 grant from Kent County Council recently

4 Years on Students Union at School

1 Year as a Head Student

Organized various sundries at school - immunisations for younger students, set up a discount card for school students in high street, leavers hoodies, yearbooks, open evenings, organised prefects etc.
